3/5/18-3/9/18

Reading Log

Keep on reading! The reading logs for the week on February 26 are due on Monday. Look for a new log to go home that day.

Accelerated Reader

Students will no longer be given a grade for taking AR, however, they are highly encouraged to take AR tests in class as they finish books. Students will have the opportunity to redeem prizes with their AR points. Please see the note from the library for more information.

March is Reading Month Drawing

During the month of March, students will earn one entry into a drawing for every book they read. For students reading longer books, they may earn an entry for ever 50 pages read.

Read your way to College Day

Friday, March 9, students may wear their favorite college shirt with their SCHOOL UNIFORM.

Zearn

Our class will be using Zearn Math for the unit on fractions. It is a top-rated curriculum that personalizes learning for each student by allowing them to practice new skills and concepts at his/her own pace. Your child was sent home with a username and password in the beginning of the week. I highly encourage you to explore it with your child to learn more.

Week at a Glance
