## Field Trip

We will be attending the St. Clair Water Festival on *May 15th*. This is a free field trip. We will need parent volunteers to drive to Macomb Community College. Students were sent home with a note and permission slip on Wednesday. Please see the note for more details about the trip. The permission slip is due on Monday.

## Jump Rope for Heart

We have kicked off our Jump Rope for Heart program to raise money for the American Heart Association! Remember, the last day to donate is *May 4*.

## Fourth Quarter Effort

I know everyone is excited that summer is approaching, but students still need to put forth effort and take responsibility in order to be prepared for 5th grade. I'm noticing missing assignments and poor quality work. Be sure to check PowerSchool. If you notice a "M" with a 0, it means your child never turned an assignment into me. Students know where they can find extra assignments in the classroom. I will still accept it for a late grade of 30% off, otherwise, it will remain a 0.

## Reading Logs

Reading logs are due on Monday. Look for a new log to go home that day as well.
