Xtra Math

Your child should be using Xtra Math at home to increase speed and accuracy with their basic math facts.

Reading Logs

Your child should continue filling in their reading log each time he/she has read for 20+ minutes. Reading logs are always due on Mondays!

Rosary

Students will pray the rosary as a school on Wednesday, September 27. Students are responsible for the rosary they bring to school; you may want to keep at home expensive or sentimental ones.

Magazine Orders

Help our class receive free goodies from Highlights! A slip went home in your child's Friday folder. If you'd like to order this magazine, check "Yes" and complete the form. If you don't want the magazine, just check "No" & sign the form. No's do not need to write down any personal information. We get free items for each returned slip.
